

*« True knowing comes from the emptiness of receptivity at the center of our being, exemplified in Sufism by the heart. What we are looking for is at the center of the heart of knowing, in the inner sanctum of the sacred chamber of the heart, where we find the doorway, the passage to the other world. It is a place beyond representation, in the timeless now, where " I " no longer exists to personalize the experience. »*

*From: Wings of the Message: A sufi perspective, by Wajid Gallien*

Join us on the weekend of **April 21<sup>st</sup> & 22<sup>nd</sup> 2012** for a workshop with Wajid designed to take us on a journey of self-discovery through the heart and into the Unknown.
